Reconstructing American Literary History offers a wide-ranging reevaluation of American literature, from the Revolutionary period to the present, by outstanding young scholars who represent a new generation of American critics. Although they differ in their approaches and methods, all express a distinctive experience of discontinuity and disruption, and all are concerned with the problems of literary history. These essays succeed in using literary techniques to illuminate the dynamics of culture and historical analysis to open up literary interpretation.

Table of Contents. Brief History of English and American Literature. Henry A. Beers. INTRODUCTION.Â Index to authors, writings, and periodicals. Brief History of English and American Literature. Henry A. Beers. Brief History of English and American Literature. Table of Contents.Â In the general outlines of a plan of literary study which is to cover the entire history of English and American literature, the following directions, it is hoped, will be of value. 1.
