

**Russell A. Barkley, Ph.D.**  
Clinical Professor of Psychiatry  
Medical University of South Carolina  
Charleston, SC

## **Biographical Sketch**

Russell A. Barkley, Ph.D., is Clinical Professor of Psychiatry at the Medical University of South Carolina in Charleston. He is a Diplomate in three specialties, Clinical Psychology, Clinical Child and Adolescent Psychology, and Clinical Neuropsychology. Dr. Barkley is a clinical scientist, educator, and practitioner who has authored, co-authored, or co-edited 20 books and clinical manuals numbering 29 editions and published more than 250 scientific articles and book chapters related to the nature, assessment, and treatment of ADHD and related disorders. He is the Editor of the bimonthly clinical newsletter, *The ADHD Report*. He has presented more than 700 invited addresses internationally and appeared on the nationally televised *60 Minutes*, *the Today Show*, *Good Morning America*, *CBS Sunday Morning*, *CNN*, and many other programs on behalf of those with ADHD. He has received awards from the American Academy of Pediatrics, American Psychological Association, Wisconsin Psychological Association, and others for his career contributions to research in ADHD, to clinical practice, and for the dissemination of science.

### **Contact Information:**

Russell A. Barkley, Ph.D.

## **DVDs**

Real Life ADHD: A Survival Guide for Children and Teens. By Chris Ziegler Dendy and Alex Ziegler (2011). Compelling advice from interviews with 30 young people with ADHD ages 12-21 from across the US. [www.chrisdendy.com](http://www.chrisdendy.com). Chris Dendy Consulting, PO BOX 189, Cedar Bluff, AL 35959, Phone 256-779-5203.

### ADHD:What Do We Know? and ADHD: What Can We Do?

by Russell A. Barkley, Ph.D. These two DVDs provide a wealth of current information on the nature, diagnosis, comorbidities, etiologies, and outcomes of ADHD and its management for use with parents, teachers, or other professionals. Guilford Publications, 72 Spring St., New York, NY 10012 (Call 800-365-7006). (1992)

ADHD in Adults: by Russell A. Barkley, Ph.D. Using four adults with ADHD from different walks of life, Dr. Barkley conveys the numerous problems ADHD creates for adults and the many ways it may impact their lives. The DVD reviews the nature of the disorder, its comorbid conditions and causes, and summarizes the effective treatments available. Guilford Publications, 72 Spring St., New York, NY 10012 (Call 800-365-7006). (1994)

ADHD in the Classroom: by Russell A. Barkley, Ph.D. This is a highly informative DVD on the nature of ADHD, its impact on classroom functioning of children with the disorder, and the principles which must be considered for effectively managing the disorder. A number of techniques of classroom management are reviewed. Regular and special education teachers also discuss the methods and how they are used in their own classrooms. Guilford Publications, 72 Spring St., New York, NY 10012 (Call 800-365-7006). (1994)

Understanding the Defiant Child and Managing the Defiant Child: by Russell A. Barkley, Ph.D. Two DVDs (July 1997) containing substantial information on the nature, course, and causes of oppositional defiant disorder in children as well as on the best methods for parental management of these children. Guilford Publications, 72 Spring St., New York, NY 10012 (Call 800-365-7006).

A New Look at ADHD: Inhibition, Self-Control, and Time by Russell A. Barkley, Ph.D. A DVD presenting Dr. Barkley's new theory of ADHD as a disorder of self-regulation that impairs executive functioning and the sense of oneself across time (May 2000). Guilford Publications, 72 Spring St., New York, NY 10012 (800-365-7006).
