FIRST SUNDAY IN LENT

THE COLLECT

God of Mercy,
your word was the sure defence of Jesus
in his time of testing:
minister to us in the wilderness of our temptation,
that we who have been set free from sin by Christ
may serve you well into life everlasting;
through the same Jesus Christ our Lord
who lives and reigns with you and
the Holy Spirit,
one God, now and forever. Amen

THE GREETING	The Lord be with you INKosi inani	And also with you Inawe futhi
OPENING HYMN	HON 145	Forty days and forty nights
1 Forty days and forty nights thou wast fasting in the wild; forty days and forty nights tempted, and yet undefiled.		4 And if Satan, vexing sore, flesh or spirit should assail, thou, his vanquisher before, grant we may not faint nor fail.
2 Sunbeams scorching all the day, chilly dew-drops nightly shed, prowling beasts about thy way, stones thy pillow, earth thy bed.		5 So shall we have peace divine; holier gladness ours shall be; round us too shall angels shine, such as ministered to thee.
3 Shall we not thy sorrows share, and from earthly joys abstain, fasting with unceasing prayer, glad with thee to suffer pain?		6 Keep, O keep us, Saviour dear, ever constant by thy side, that with thee we may appear at th'eternal Eastertide.

George Hunt Smyttan (1822-1870) and Francis Pott (1832-1909). CCLA Licence No. 2004735

LENT

For forty days Jesus fasted and prayed as he prepared himself for the work his Father had given him to do. For forty days, in the early centuries of the Church, the candidates for baptism were required to undergo a special course of instruction and fasting in preparation for their Christian initiation at the Easter Vigil. These are roots from which the season of Lent has come down to us. The Church calls on its members to keep the forty days Easter as time of special devotion and self-denial. Christians are baptized already and cannot be baptized again: But they can by their Lenten exercises deepen the faith and repentance required of those who would enter the kingdom of heaven. Nor can Christians withdraw from the world to be alone with God, as Jesus did: but by their Lenten discipline they can create their own wilderness in the midst of their busy lives. So our Lenten acts of devotion and self-denial have this twofold meaning and purpose. They are acts of obedience to the Church of Christ, recalling us to our baptismal promises: They are also an expression of the seriousness of our desire to please God after the example of Christ, reminding us that 'even Christ pleased not himself' (Romans 15:3).
