“Artists reflect the time we’re in,” says Marc Glimcher. “In what way is the gallery model equipped to support these artists in the way it supports painters and sculptors?” Nelly Zagury, *The Giant Stalker & The Cannibal Flower* (2019), via Art Observed. Art Students Observed book. Read reviews from world’s largest community for readers. Start by marking Art Students Observed as Want to Read: Want to Read saving list; Want to Read. Currently Reading. Read. Art Students Observed. by Charles Madge. Other editions. But to Gathege Muchiri, a medical student, arts students are just too free and it is easier for them to be loud and outgoing because their academic lifestyle allows them. “It isn’t their fault.” He observed that, “If they have too much time in their hands, then it is the lecturers to blame, not the students.” Do you have stories, videos or pictures you would like to share with the world? Simply click on Post Your Story button placed at the top of the website.

Students are most satisfied with teaching, least happy with assessment and feedback. Campus universities have continued to perform highly in the 2014 National Student Survey as undergraduate satisfaction scores hit a 10-year high. Some 86 per cent of the 321,000 final-year undergraduates who responded to this year's survey said they were satisfied overall with their course, up from 85 per cent last year.
