The Year of Faith celebrates the 50th anniversary of the Opening of the Second Vatican Council. One of the gifts of this council, still in the memory of the many of the faithful, is the implicit connection of the documents: they are coherent, they cross reference one another, and they build upon one another. This list can help you read again or read for the first time these essential documents.

Revised 2005
Diocesan Pastoral Plan
Revised by the
Pastoral Council of the
Diocese of Springfield in Illinois
26 October 2005

Goal 1
Grow in our communion
with God and one another
through prayer and the
sacraments, especially
Sunday Eucharist.

- Promote catechesis on the faith in terms of the mission and summit of Catholic life.
- Promote attendance on the Sacrament of Reconciliation and its use to cultivate the faith.
- Foster full, conscious, and active participation in the life of the Church.
- Celebrate Sunday as the most holy day of all, a day of Christian joy.
- Encourage catechetical education in parishes and ministries.
- Participate in retreats and renewal programs.

the response to God's invitation to prayer and communion with him and with one another leads us to prayer and communion with the Holy Spirit, especially in the sacraments, especially the Eucharist, and the sacrament of Reconciliation. The Spirit's presence in the Church is essential to the mission of the Church, and the Church's mission is to be a sign and instrument of unity and communion with God and with one another. The Church's primary goal is to be a sign and instrument of unity and communion with God and with one another by participating fully in the life of the Church.

Weighing Practices against Principles: Revisiting the Constitution on the Sacred Liturgy
A workbook with eight basic principles for the liturgy

By Eliot J. Kapitan

The beginning of the Constitution on the Sacred Liturgy provides an overall goal and eight foundational principles for doing good liturgy. In presenting each principle I will explain terms and concepts, describe how the principle is expressed in the liturgy and the liturgical year, name good practices to foster (using examples from parish experience), list dangers to avoid, and clarify what is at stake.

This workbook also contains worksheets for users to (1) name additional good practices to foster, (2) name additional dangers to avoid, (3) assess current parish practice, and (4) list dreams for parish improvement as a way to establish parish priorities.

GOAL FOR DOING GOOD LITURGY

"The Church earnestly desires that all the faithful be led to that full, conscious, and active participation in liturgical celebrations called for by the very nature of the liturgy. Such participation by the Christian people as 'a chosen race, a royal priesthood, a holy nation, God's own people' (1 Peter 2:9, see 2:14-15), in their right and duty by reason of their baptism" (CSL, no. 14).

SOME BASIC PRINCIPLES FOR THE PROMOTION, REFORM, AND GOOD CELEBRATION OF THE LITURGY

1. Liturgy celebrates the paschal mystery (the passion, death, resurrection, and ascension) in the redemptive work of Jesus Christ the Lord.
2. Liturgy celebrates the many ways Christ is present in the Church.
3. Liturgy, through the power of Christ, makes people holy.
4. Liturgy prepares and leads the Church to the heavenly life with God.
5. Liturgy invites believers to live the Christian life: a life grounded in catechesis, community, worship and liturgy, and service.
6. Liturgy is both the summit and the fount for the Church.
7. Liturgy requires the faithful to have proper dispositions and practices to realize the law to not enough.
8. Developmental progress is always in harmony with liturgical praxis.

Because of this workbook was printed in collaboration with the Magisterial Office, Training, and Catechesis through the Office of Worship, there is both a workbook and a separate manual.
