Grade 7 English Lessons. Grade 7 marks the transition into middle school in some educational systems, and high school in some others. In any case, it is a departure from elementary school in many ways. As far as English is concerned the major change is that the explicit teaching of grammar is almost non-existent. Vocabulary at this stage will be taught incidentally and as part of the vocabulary question in reading comprehension. However, when learners are second language learners with average or low proficiency in English, there may be a need to teach vocabulary explicitly. We provide teaching and learning material for teachers and students at grade 7 stage. Please click on the links below to be directed to the corresponding page.
