Postwar immigrant America. a social history. by Reed Ueda. Published 1994 by Bedford Books of St. Martin's Press in Boston, MA . The four waves of american immigration. "Once I thought to write a history of the immigrants in America. Then I discovered that the immigrants were American history." -Oscar Handlin. The first wave: 1607-1830. As later immigrant groups came to America, older English Americans would memorialize Plymouth Rock as the birthplace of America, thus confirming an Anglo-Saxon stamp on the American character. In reality, of course, the early immigrants arrived all over the different ports up and down the East Coast. Reasons for Immigration The early immigrants came here for a variety of reasons: Economic Opportunity: Europe offered little opportunity for most people to advance economically during this period of aristocratic control of wealth and power.
