J Witcover.Â Assessed the impact of the 1988 presidential debates and vice-presidential debate in a study that administered a questionnaire or ballot to college students, over 75% of whom came from the Boston area. 498 Ss viewed the 1st Bushâ€“Dukakis debate; 182 Ss viewed the 2nd Bushâ€“Dukakis debate; and 279 Ss viewed the vice-presidential debate. Approximately 63% of the Ss who watched the 1st and 2nd Bushâ€“Dukakis debates and 64% of the Ss who saw the Quayleâ€“Bentsen debate were women. The study confirms the earlier finding of V. Wall et al (1988) that prior partisanship predicted both perceptions of and re

The 1988 presidential campaign of Joe Biden, the longtime Democratic United States Senator from Delaware and eventual 47th Vice President of the United States, began in June 1987. He ran for President of the United States in the 1988 United States presidential election. He was considered one of the potentially strongest candidates in the field. However, in September 1987, newspaper stories stated he had plagiarized a speech by British politician Neil Kinnock. *Whose Broad Stripes and Bright Stars? The book's subtitle of "The Trivial Pursuit of the Presidency" was accordingly apt. When the media-orchestrated campaign of Roger Ailes, known as "the mudmeister," along with cohort Lee Atwater, who had been trained by none other than Richard Nixon, reached fever pitch, and a "news event" consisted of Republican nominee, Vice-President George H.W. Bush, visiting a flag factory, Dan Rather and his CBS news cohorts refused to cover the event. This book recreates the 1988 U.S. Presidential campaign (Bush vs. Dukakis) and its tawdry theater of sound bites, attack ads and half-truths. Start by marking *Whose Broad Stripes and Bright Stars?: The Trivial Pursuit of the Presidency 1988* as Want to Read: Want to Read saving; Want to Read. Currently Reading. Read. The *Trivial Pursuit of the Presidency 1988*. by. Jack W. Germond This account of the 1988 presidential election is a good survey, covering the key factors of the race in a light, readable voice. Written by newspaper reporters in 1989, however, it was apparently intended to speak to contemporary readers able to parse references to touchstone moments in the campaign without further explication. It makes passing references to "the Hyundai ad," for example, without explaining that this was an ad on foreign trade barriers that Gephardt used to gain ground in Iowa.
