</tbody>
</table>
From Middle English auctour, from Anglo-Norman autour, from Old French auheur, from Latin auctor, from augeō (āœœto increase, originateāœ). The h, also found in English auheur, is unetymological as there is no h in the original Latin spelling. The OED attributes the h to contamination by authentic. (Received Pronunciation) IPA(key): /ˈɔθə/. (General American) IPA(key): /ˈəθɚ/. (cot–caught merger) IPA(key): /ˈɑθɚ/. (obsolete) IPA(key): /ˈɒθə/. Rhymes: -əθə(r). Hyphenation: auã¢$thor.
