The chapter covers documents such as; Jackie Robinson on the Struggles of His First Spring Training, 1946; Harry Edwards Reviews the Making of the Black Athletic Revolt, 1967; and Jules Tygiel, "A Lone Negro in the Game: Jackie Robinson's Rookie Season." However, a text that was especially interesting to me in chapter 13 was the interview with Muhammad Ali. It was eye opening and brought into perspective the hardships that people of color went through during this period. Riess, S. A. (20 January 2014). Major Problems in American Sport History (2 ed.).
