LWW Health Library Orthopedic Surgery. MedOne Radiology. Ovid New Editions. Principles of Neural Science, Fifth Edition. Obstetrics And Gynecology PreTest Self-Assessment And Review, 14th Edition. Shireen Madani Sims. 4.7 out of 5 stars 8. Paperback. \$26.67. Dr. Pestana's Surgery Notes: Top 180 Vignettes for the Surgical Wards (Kaplan Test Prep). Dr. Carlos Pestana. 4.4 out of 5 stars 274. #1 Best Seller in Trauma Surgery. Paperback. \$28.59. I've been using the Pre-Test series for all the rotations I have done so far (surgery and neurology), and like the other books in the series, PreTest for Pediatrics provides a good overview of which topics to know about for the shelf exam. I also personally like using the question-answer format for reviewing material because the information sticks better than from just reading a paragraph in Blueprints or First Aid. Principles of Critical Care book. Read reviews from world's largest community for readers. Over 740 questions - all in exam format in structure and degree. Goodreads helps you keep track of books you want to read. Start by marking Principles of Critical Care: Pretest Self-Assessment and Review as Want to Read: Want to Read saving | Want to Read.
