on a spiritual path - witchcraft does not have to be spiritual! you can practice magic without having to worry about being "spiritual enough", because each craft is unique and deeply personal, you don't need to force it to be something that you're not invested in. religious - there are many witches that wonder where the power comes from if they don't call upon a god. the power can come from you. you do not need to devote yourself to a god.

The meaning of spirituality has developed and expanded over time, and various connotations can be found alongside each other. Traditionally, spirituality referred to a religious process of re-formation which "aims to recover the original shape of man", oriented at "the image of God" as exemplified by the founders and sacred texts of the religions of the world. The term was used within early Christianity to refer to a life oriented toward the Holy Spirit and broadened during the Late Middle Ages to The Spiritual Path of Islam by Abul Ala Maududi. What is the spiritual path in Islam and what is its place in the life as a whole? Those who chose the secular path were convinced that they could not meet the demands of spirituality, and thus they led highly material and hedonistic lives. All spheres of worldly activity, whether social, political, economic or cultural, were deprived of the light of spirituality; injustice and tyranny were the result.
