The last week of the fall and spring semesters is set aside for final examinations. The academic calendar for the Washington College of Law (WCL) of American University varies from this general schedule, and its key dates are noted below in italics. For the full WCL academic calendar, please go to: <http://www.wcl.american.edu/registrar/>. The holidays and vacations observed by the university are noted below. Note: The refund/withdrawal schedule applies to all courses with a standard schedule during a regular semester (fall/spring). Refunds/withdrawals for courses on nonstandard schedules (including MBA modules), as well as all summer session courses, are calculated proportionately, based on the percentage of the course completed. At a glance: Studium Generale: (weekend) Courses in English. International Program: weekly courses Timetable. Business & Economics. Advanced Manufacturing (WINM232, 2,5 ECTS) Master level (bachelor students are welcome)! Overview of different recent developments in manufacturing. This includes new materials, production methods, and production control. Special focus is on the rapid advancement of computer technology. Its influence on society is also investigated.
