Contact Contact Us Library Departments Staff Directory. Administrative law - The ombudsman: The ombudsman is a part of the system of administrative law for scrutinizing the work of the executive. He is the appointee not of the executive but of the legislature. The ombudsman enjoys a large measure of independence and personal responsibility and is primarily a guardian of correct behaviour. His function is to safeguard the interests of citizens by ensuring administration according to law, discovering instances of maladministration, and eliminating defects in administration. Working Group on EU Administrative Law. Expertise provided by the policy department C. Eu administrative law.Â The case-law of the Court of Justice of the European Union has contributed to shape EU administrative law by developing over the years general principles of administrative law and procedure, especially those related to the rights of defence.

Administrative law in the United States often relates to, or arises from, so-called "independent agencies"- such as the Federal Trade Commission ("FTC"). Here is FTC's headquarters in Washington, D.C. Rulemaking. In administrative law, rulemaking refers to the process that executive agencies use to create, or promulgate, regulations.Â Administrative law treatise. NY: Aspen Law & Business, 2002. ISBN 0735521506.

The Administrative Law Training Guidelines. With the support of the European Union. EJTN Administrative Law Sub-Working Group. CONTRIBUTORS. 3. The classic concepts of international law according to which states retain sovereignty in the exercise of their international treaty obligations and the domestic legal effects of the obligations thus assumed are a matter for each national legal order were overturned by the Court of Justice in the 1960s. Administrative law I. Cases and materials. Law degree. During Administrative law history, many authors have tried to reach a common point to identify the administrative phenomena; no one has been able to find a definitive result. Three theories have arisen with limited success. Let us test and discuss them. Law of Administrative Procedure of the European Union. Executive Summary. Article 298 TFEU and the Charter of Fundamental Rights establish a right of citizens to good administration. Good administration as a right of citizens is enshrined in the EU Charter of Fundamental Rights (CFR), which, after the entry into force of the Treaty of Lisbon, has the same legal value as the Treaties.
